## Pickle Ball Camp with Hunter Horton

Pickle Ball is a paddle sport created for all ages and skill levels. It is a fun sport that combines many elements of tennis, badminton, and ping-pong. The rules are simple and the game is easy for beginners of all ages to learn. **Hunter** is a graduate of Lugoff Elgin High School and a 2020 graduate of Coker University, both with Honors. His major was Business Administration with a concentration in Sports Management. Hunter's coaching experience includes Coker University-Student Intern (Tennis), Clemson-Tennis Camp Teaching Coach, and Camden Tennis Center-Assistant Teaching Pro. We are excited to have Hunter and be able to offer these camps to our youth to instruct them in a sport they can enjoy for a lifetime.
